

Advances in Arthroplasty

SESSION

12.30pm Register & light lunch
1pm - 2pm Presentation

There have been significant technological advances in surgery to restore the function of a joint.

Attend this 'Friday lunch' presentation with local orthopaedic surgeon, Dr Yasser Katib to hear the latest in considerations and options for surgical interventions.

Learning outcomes:

- Consider treatment options and suitability for arthroplasty.
- Describe the latest advances in Arthroplasty.
- Access HealthPathways on common orthopaedic conditions.
