

Management of Shoulder Problems

Presented by: Dr Pavitar Sunner

MBBS, FRACS, FAorthA

Speaker: Dr Pavitar Sunner

Dr Pavitar Sunner is an orthopaedic surgeon who has been consulting and operating across western Sydney since 2002. Schooled in Merrylands NSW, he completed his MBBS at Sydney University in 1989. Dr Sunner specialises in conditions of the shoulder, hip and knee. He takes a conservative approach to surgery, preferring to explore non-surgical options with patients before looking to operation. Dr Sunner looks after patients in both the public and private hospital system. Dr Sunner speaks English, Hindi, Punjabi, Urdu and Hindustani (Fijian) and has rooms in Norwest, Penrith and Katoomba.

Learning Outcomes/Topics:

- Explain management of shoulder conditions
- Examine treatment options for shoulder conditions
- Discuss when referral to an orthopaedic surgeon is necessary

Date: Friday 4th September 2020
